Hello Parents,

Happy May everyone! This month, we will be learning about how we get around in our community. We will explore different types of Transportation within our community as well as what it means to be a part of a community and neighbourhood. In addition, we will be taking the City bus to the Southland Mall to explore our own community.

Thank you for your support of art cards this year! All Art card orders (including payment) should be submitted by now. Please speak with Teachers if you haven't already done so.

Our Volunteer Coordinator, Jocelyn Brown, is busy arranging the event including volunteers. So please let us know if you are able to help out
